

Willmar Fire Department

2008 Annual Report

Established in 1879

About Us

The Willmar Fire Department is a paid-on-call department. Firefighters are paid an hourly rate at 1-hour increments for fire calls and most training. Members carry tone/voice pagers that alert them when the department is needed for service.

Our department gets paged for a variety of services:

Battalion

- Motor vehicle accidents and vehicle fires: The department is split into two battalion units that alternate responding each month.

Weather Watch

- Willmar firefighters provide weather watch and severe weather standby. We work together with other emergency response agencies including Kandiyohi County Emergency Management to help detect and provide ample warning for severe weather threats.

Mutual Aid

- Other fire departments throughout Kandiyohi County and surrounding areas may request our help at incidents within their jurisdiction.
- Generally, these are large structure or grass fires or other large-scale incidents.

Special Teams/Services

- Hazardous Materials Emergency Assistance Team (HEAT): Comprised of firefighters and other emergency personnel throughout the County.
 - The HEAT team is specially trained to respond to various chemical spills and responds throughout the county or where needed.
- Technical Rescue Team (TRT): Comprised of firefighters and other emergency personnel throughout the County.
 - The TRT team is specially trained in confined space, rope, trench and high angle rescues and responds throughout the county or where needed.

Full Department

- Full department calls make up the remainder of the alarms. These include anything from the routine false alarms to working grass or structure fires.

Fulltime Staff

Marv Calvin
Fire Chief/Fire Marshal
January 2000 - Present

Rick Johnson
Building/Equipment Maintenance
October 1984 - Present

Terrah Biegert
Clerk/Typist
February 2005 - Present

Fire Chief

The Willmar Fire Chief / Fire Marshal is a full-time position whose immediate supervisor is the City Administrator. The Chief has a wide array of responsibilities, some of which include:

- Overseeing the day to day operations of the department, full-time staff and firefighters
- Assuming Command during emergency responses
- Coordinating the City's emergency management plan
- Managing the department budget
- Ensuring the department and firefighters are in compliance with NFPA (National Fire Protection Association) and OSHA (Occupational Safety and Health Association) standards
- Conducting fire investigations
- Assisting law enforcement officials and the State Fire Marshal's Office with arson investigations
- Enforcing the International Fire Code within the community and issuing corrective orders
- Assisting with building inspections for new construction and remodels
- Inspecting and testing fire alarm and sprinkler systems within the community
- Addressing fire code questions and concerns of the public
- Determining and analyzing City water flow

Marv Calvin has been Willmar's Fire Chief/Fire Marshal for 9 years. He has worked in the fire and EMS field for over 31 years.

1927-1928: M.W. Bloomquist	2000-Present: Marvin Calvin

2008 Officers

Willmar Fire Department's Officers are appointed for 3-year terms by an Officer Selection Committee. The City Administrator provides final approval for each new appointment.

Advanced training and established years of experience are prerequisites for becoming an Officer as they take on additional responsibilities and assume critical roles during emergency responses. Each truck responding to an incident must contain an Officer prior to departure.

Officers also assist the Fire Chief with day-to-day operations, assist with incident command and help to uphold the department's disciplinary procedures.

Assistant Chief

Jeff Gilbertson

Deputy Chief – Operations:

Wally Klause

Deputy Chief – Training:

Gawin Kooistra

Captains:

Mike Schroeder

Kevin Marti

Ed Scherer
(through May 26)

Terry Spieker
(Term began May 27, 2008)

Lieutenants:

Howard Carlson

Jim Larson

Terry Spieker
(through May 26)

Frank Hanson
(Term began June 16, 2008)

Secretary:

Travis Blaschko

Average Years of Service: 12.8 Years

<i>Resigned in 2008</i>
Ed Scherer (25 Years of Service)
Rory Weiss (20 Years of Service)
Bert Hansen (7 Years of Service)

2008 Community Events

In addition to the many parades, community/public education visits and public service standbys the fire department regularly participates in, below is a specific list of the larger events that took place during 2008:

Pancake Feed

The Willmar Firefighters' Association hosted their annual pancake feed during the Willmar Fests celebration on June 28th.

Passport to Recreation

Willmar Community Education & Recreation held a month-long program promoting family recreation and activity during July. The fire department was asked to assist with the finale on July 31st at the Dorothy A. Olson Aquatic Center.

Firefighters grilled hotdogs, served families a free meal and gave fire truck tours to help promote this cause.

National Night Out

Willmar firefighters participated in *National Night Out* on August 5th at Robbin's Island to help spread our fire safety message. Firefighters conducted pumping demos and distributed fire safety materials to families.

Home Depot Safety Day

Home Depot hosted their annual Safety Awareness Day on September 27th. Willmar firefighters participated in the event with fire escape house demos.

Story Time at the Fire Station

Almost 700 guests visited the fire station on October 7th for a meal, giveaways and a story.

Willmar firefighters read a story to our guests in English and Spanish.

Collaboration from the Willmar Early Childhood Initiative, Willmar Police Department, Willmar Ambulance Service and all our sponsors made for another successful event.

Outdoor Community Message Center

Located near the corner of 1st Street and Trott Avenue, our electronic sign is used by many organizations throughout the community to publicize events and relay various messages to the public.

The fire department also displays fire safety tips to help spread our fire prevention message to the citizens.

The message center is seen by many, and the number of requests increases each year. At times, staff receives more message requests than there is room on the sign. We make every effort to ensure all the messages are displayed.

2008 Pre Plans

Pre Plans are conducted on various commercial and industrial properties throughout the community. These properties are researched by the officers and then presented to the department. This helps to prepare the firefighters of the buildings' layouts and other key elements regarding the properties. Items covered include: entrances and exits, fire alarm panel, any hazardous or combustible storage, mechanical and boiler rooms, and locations of post indicator valves and fire hydrants.

Pre Plans were conducted on the following establishments in 2008:

Northern Factory Sales

Welder's Supply

Runnings

Youth for Christ

Community Christian School

Qwest

Whitney Music

Adult Mental Health Hospital

Slumberland

Family Video

Firefighter Training

Full-department training is generally conducted the first three Thursdays each month. Firefighters train on a variety of subjects including CPR/First Aid, driving, search & rescue, ropes & knots, ventilation and live burns.

During 2008, firefighters conducted 20 hours of training specifically on confined space and trench rescue.

In addition, 8 firefighters participated in Firefighter II training, which is a 24-hour course and allows them to take the State Firefighter II Certification exam.

Firefighters are also given the opportunity to attend outside training classes. Many of these courses are taken at Minnesota State Fire/EMS/Rescue Schools conducted by community and technical colleges throughout the state. This also allows the firefighters to meet their 12-hour school requirement placed on them every 3 years.

Total training hours in 2008:

4,164

WFD Response Area

The shaded area represents Willmar city limits for which the department provides complete fire protection. This includes the annexed areas surrounding the Willmar Municipal Airport and brush site/future Wastewater Treatment Plant (outlined in orange).

The area outlined in blue represents Willmar Township. The fire department provides services to this area under a fire protection agreement.

The area outlined in green represents Willmar Fire Department's response area located in Dovre Township. This area is also covered by a fire protection agreement.

2008 Rural Alarms

Fire alarms outside Willmar city limits are considered rural alarms. There is a fire protection agreement between the City of Willmar and each of the townships noted below.

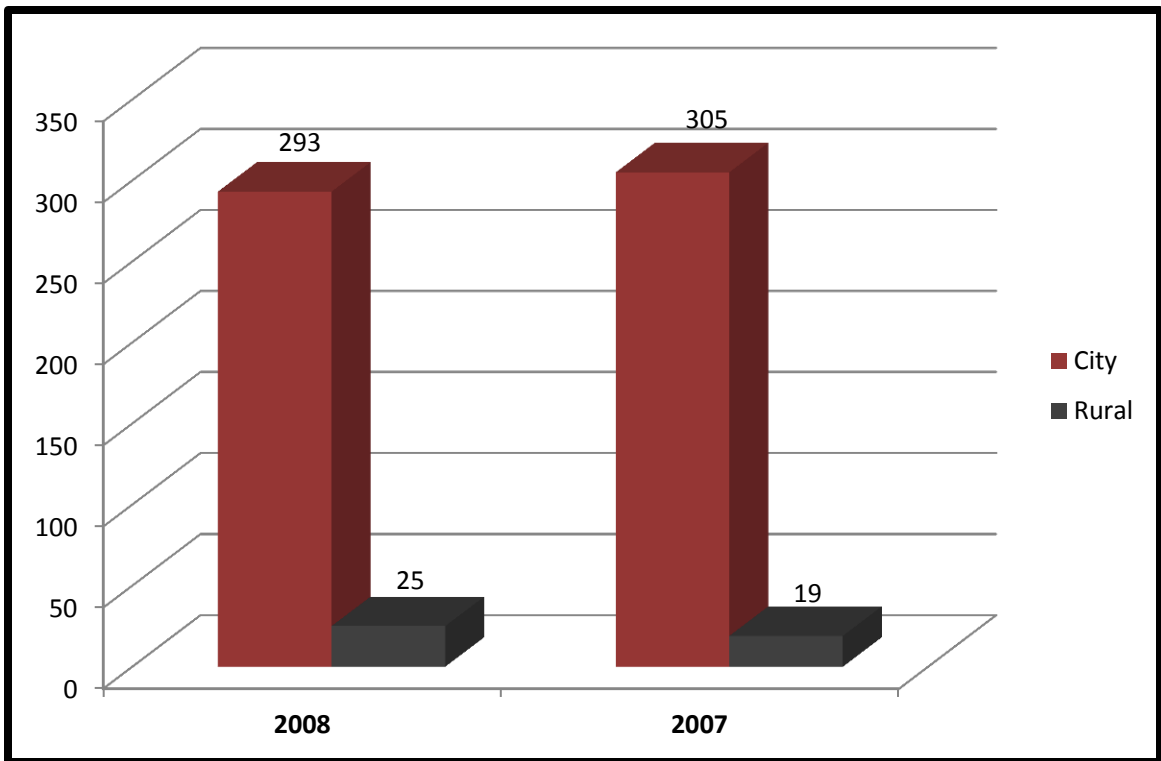

After every rural alarm, fire department staff submits a *Statement of Rural Fire Services Rendered* to the City Clerk's office. These statements help in determining the following year's agreement.

Listed below are the rural alarms that occurred in 2008

Dovre Township

*Also includes mutual aid calls outside City limits

2008 Mutual Aid

The fire departments throughout Kandiyohi County and the surrounding area provide assistance to each other in the form of manpower and equipment.

Some mutual aid requests are cancelled en-route once an Officer is on-scene and confirms the need.

Reasons for requesting mutual aid include the need for water, manpower or equipment, being previously engaged in a separate incident, weather factors or the fire is just too large.

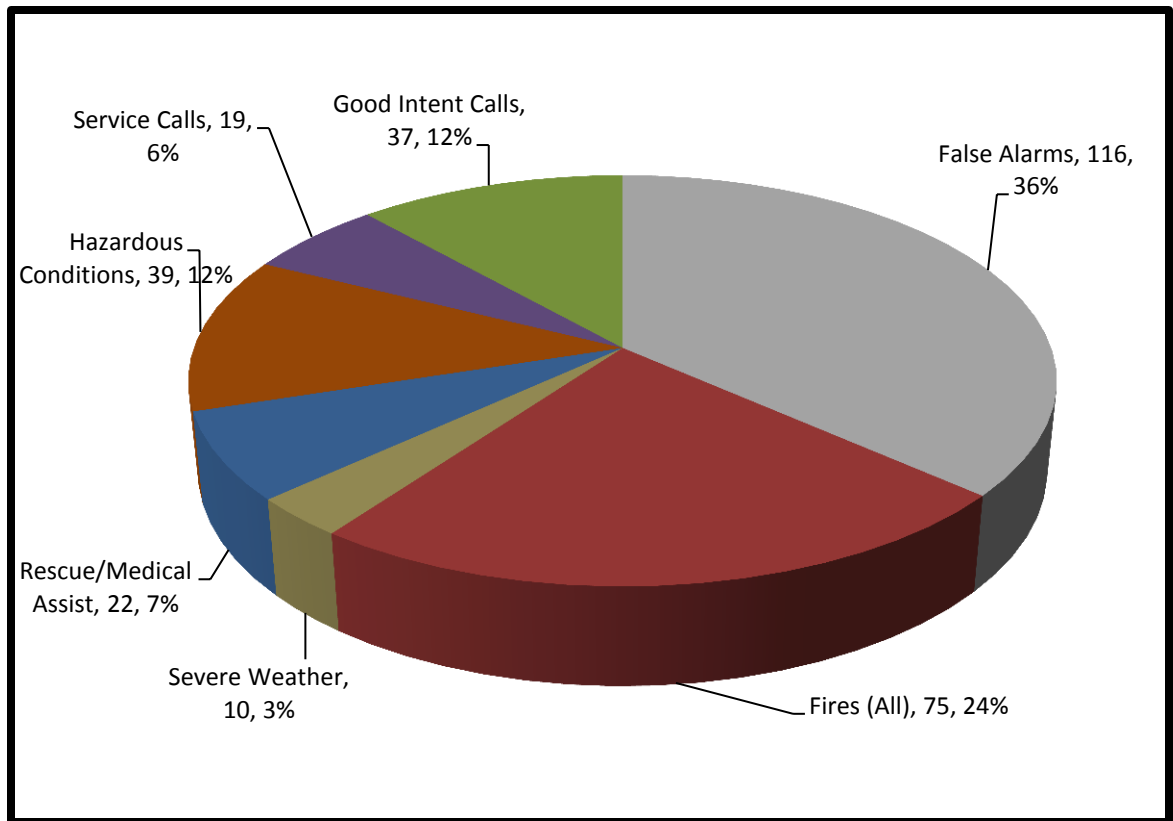

Mutual Aid Given

Date	Department	Description
1/10/08	Appleton	Police matter
2/8/08	Pennock	Building fire (Cancelled En-route)
3/8/08	Pennock	Building fire
4/19/08	Pennock	Brush-and-grass mixture fire
5/14/08	Pennock	Good intent call (Controlled Burn)
5/16/08	Pennock	Grass fire (Cancelled En-route)
10/27/08	Raymond	Vegetation fire
11/1/08	Blomkest	Grass fire (Cancelled En-route)
11/3/08	Kandiyohi	CO incident (Requested CO Pulse Oximeter)
11/4/08	Pennock	Grass fire (Cancelled En-route)

Mutual Aid Received

Date	Department	Description
2/3/08	Kandiyohi	Mobile home fire
2/8/08	Pennock	Building fire (garage)
5/8/08	Kandiyohi	Building fire
6/2/08	Spicer	False alarm (WFD had prior involvement)
7/5/08	Kandiyohi, Pennock, Raymond	Building fire
7/11/08	Kandiyohi, Spicer	Building fire
7/11/08	Spicer	Building fire (Re-kindle from above)
9/12/08	Kandiyohi	Building fire
9/15/08	Pennock	Building fire
10/26/08	Pennock, Raymond	Building fire
10/28/08	Kandiyohi, Pennock, Prinsburg	Building fire
11/3/08	Kandiyohi	Cooking fire (WFD had prior involvement)
12/6/08	Pennock, Raymond	Cooking fire – confined

2008 Incident Types

2008 False Alarms

As shown above, approximately one-third of our calls turn out to be false alarms. The fire department allows 5 false alarms at each address per year (July 1 through June 30). Each additional false alarm costs the venue \$250.

Most false alarms are caused by faulty alarm/sprinkler systems or user errors. Those alarms deemed to be malicious are usually further investigated by the Fire Chief and/or the Willmar Police Department.

During 2008, the Willmar Fire Department responded to 116 false alarms, with 6 being charged for (in 2008) and 3 suspected of being malicious/mischievous alarms.

Fire Origin Report

The following lists the areas in which fires were suspected to be ignited during 2008.

Fortunately, many of these fires were minor and extinguished prior to the fire department's arrival and had no significant dollar loss.

Area	#	% of Fires	Est. \$ Loss	% of Loss
Common room, den, family room, living room	1	3.4 %	\$ 90,000	14.2 %
Cooking area, kitchen	2	6.9 %	40,000	7.1 %
Laundry area	1	3.4 %	15,000	2.7 %
Storage room	1	3.4 %	-	-
Vehicle storage area (garage, carport)	3	10.3 %	95,200	16.9 %
Switchgear area, transformer vault	1	3.4 %	-	-
Exterior balcony, unenclosed porch	1	3.4 %	6,000	1.1 %
